

# Steer Clear of Trouble in a Small Town with Big Secrets!

**T**he year is 1930. A fiery explosion at the Lilac Inn leaves its owner, Emily Crandall, teetering on the edge of sanity and propels you, as Nancy Drew, headlong into adventure. A will left behind by an eccentric millionaire could solve Emily's problems, and fortunately, you've got a car and can drive anywhere you want. But watch out! When you're on the trail of a desperate villain, the road can get very bumpy.

You can take your roadster for a spin whenever you want. But when it comes to twists and turns, all roads lead to the Lilac Inn.

A teenager who lost her mother and may be losing her mind; a creepy neighbor with paranormal powers—do they know more than they're saying?

It's obvious that someone besides you has been prowling around in this old tumbledown passageway, but who? And why?
