

Something Sinister Lurks Beyond Blackmoor Manor's Creaking Gates!

All is not well in Blackmoor Manor, a Fourteenth Century English mansion haunted by a tragic past. You, as Nancy Drew, embark on your first international adventure to visit Linda Penvellyn, your neighbor's daughter and newlywed wife of a British diplomat. A mysterious malady keeps Linda hidden behind thick bed curtains. Is she hiding from something or someone, or is a more menacing threat stalking her? Face your fears to find the truth!

The ornate artwork throughout Blackmoor Manor deserves more than a passing glance. Take heed; you might find something looking back at you!

Manor inhabitants hold important keys to hidden spaces. It's up to you to unlock the truths secreted inside.

Old Mrs. Drake spends most her time feeding the conservatory's carnivorous plants. Careful; get too close and you might be a hungry plant's next meal!
