

# Trouble Runs Deep in the Icy Currents Off Snake Horse Harbor!

A much-anticipated vacation to a remote island in the Pacific Northwest abruptly runs aground when you, as Nancy Drew, discover that a whale-watching boat has been vandalized. But that's just the first in a string of nasty "accidents" in Snake Horse Harbor. Is the trouble related to the orphaned orca whale roaming the nearby channel, or is there a deeper threat shrouded in the approaching fog?

Meaningful messages or foolish flotsam? Floating bottles lead Nancy Drew on a kayak cruise through a dangerous sea cave maze.

Roving sea monsters, hidden valuables, midnight smugglers and shanghaied pioneers: Nancy must glean facts from fish tales.

Local tempers boil at the Hot Kettle Café. Is a vandalized whale-watching boat a random act or is there deeper trouble to be dredged?
