

# Cover Your Tracks as You Set Out to Solve the Mystery of Moon Lake!

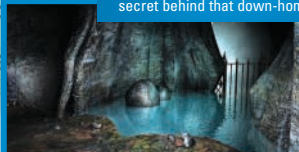

A friend's frantic note sends you, as Nancy Drew, on the trail of a mysterious pack of dogs whose glowing eyes and mournful howls threaten to chase you away forever. Local residents say that the dogs have come back from the grave to protect the secrets of their master. Are the ghostly legends true, or is there a flesh-and-blood explanation for the haunting howls? You must find the answer soon, before the hounds catch your scent!

Once a hideout for a notorious gangster, this lakeside cabin may hold clues to his villainous past. Watch out for his dogs!

The folks who live around the lake seem friendly enough. But someone's hiding a secret behind that down-home hospitality.

Hidden deep below the sunny skies and crystal-clear lake are dark caverns where secrets are safe from prying eyes.
