

# Missing Groom or Matrimonial Mess?

**N**ancy Drew's friend, Kyler Mallory, lost her fiancé! Her wedding at Ireland's Castle Malloy was supposed to be the biggest event in Bailor since half the castle blew up sixty years ago, but now the groom is gone. Was Matt Simmons snatched by the banshee rumored to haunt the castle, or just nervous? It's up to you, as Nancy Drew, to find the groom and save this wedding.

Sixty years ago inventor Brendan Malloy blew up half the castle. Can his grandniece pick up the pieces and start a new life in Ireland?

Andrew William Simmons of Lissane is your promise to witness their exchange of vows on the first of June at one o'clock. Location is Castle Malloy, Bailor, Ireland.

Bride-to-be Kyler Mallory insists that her missing groom is playing a prank, but the best man says that the groom ran out for good reasons.

The grounds surrounding Castle Malloy were abandoned decades ago, but is there a spirit haunting the castle and making itself at home?
