

Follow Your Hunches as You Explore a Huge Victorian Mansion

You, as Nancy Drew, have just crossed the threshold to danger and intrigue into a fully interactive, three-dimensional mansion riddled with secrets, shadows, and hidden passageways. Interview fellow guests, poke into dusty nooks, and uncover cryptic messages. Clues, dead-ends, and trickery abound... but success is at hand with some daring and resourcefulness.

Did you feel that shiver up your spine? Watch your back in this mysterious mansion, where portraits have eyes, walls have ears, and a breath of death drifts down the halls.

Every person is a suspect. Interrogate the mansion's inhabitants and weigh how they respond. Each one has a motive, and not all of them tell the truth.

Explore every room and leave no secret panel unopened—the next nook or cranny could hold a vital clue!
