

Don't Be Out Past Midnight in Salem!

Nancy Drew unexpectedly finds herself in Salem, Massachusetts investigating an arson on the Hathorne estate. The ongoing investigation has turned up little evidence but concerned citizens have accused Mei Parry of arson and are pressuring the police to arrest the secretive teenager. As Nancy races to uncover the truth behind the arson, she discovers connections to the house's past with the Salem trials and finds herself drawn into a struggle with supernatural events that she simply can't explain. Nancy's convictions are put to the test. Time is short, and Nancy must find the answers before the clock strikes midnight.
