***Kyler Tegan Mallory of London  
and  
Matthew William Simmons of London***

***request the pleasure of your company at their marriage  
on Saturday, the first of June, two thousand and eight at one o'clock  
Castle Malloy, Bailor, Ireland.***

**Bride - Kyler Mallory** - A stock broker in London who lived with Nancy's family as an exchange student four years ago. She is now engaged to Matt Simmons and is excited to hold her wedding at Castle Malloy. Her grandfather, Edmund Mallory, recently passed away and named her as the sole beneficiary. He never spoke about his childhood and Kyle is just now learning about her true family history.

**Groom - Matt Simmons** - A free-lance writer for travel and sailing magazines. Known for his dry wit, Matt loves to play pranks on others. Friendly and likeable, he had planned on getting married in the Bahamas, but agreed to change his plans to make his fiancée, Kyler Mallory, happy.

**Best Friend - Kit Foley** - Matt's best friend and accomplice on sailing trips. Kit was born in the US and is the son of a Krolmeister Inc. VP. The company transferred the family to London when Kit was young, but he never picked up the British accent. He currently works as a land developer, and he arrived early to help Matter and Kyler prepare for their wedding.
