Nancy continues to research the facts her next case, *Nancy Drew^(R): The Phantom of Venice*, releasing July 2008. [View the trailer](#) and [see screenshots](#).

Prudence Rutherford has asked the Italian police to seek Nancy's help in comprehending *Il Fantasma* (The Phantom) - a masked thief. Below is the lineup of suspects from the concept sketch artist - which one of them is donning the *Brighella* mask and stealing Venice's most valuable treasures?

Suspect Dossiers

La Contessa Margherita Fauberg

Recently widowed, Margherita inherited a large sum of money after her husband passed away and purchased the *Ca Nascosta* to cement her status as a Venetian socialite. Her frivolous spending habits may have caused her to fall upon hard times, and she would do anything to stay in her elite circle of wealthy friends - including the theft and sale of priceless artifacts?

Colin Baxter

Colin, a handsome art restorer, is restoring the *Ca Nascosta* for very little money, even though he's one of the best in his field. He claims to love art and works for near nothing because it is his passion. His job allows him to gain access to valuable artifacts, making him the perfect candidate for the thefts. Would he steal the treasures and sell them on the black market?

Helena Berg

Helena specializes in reporting high profile crimes. She covered the bust of the infamous Machiano Crime

Syndicate and traveled to Venice to report on the recent thefts. Ambitious and calculating, Helena is extremely knowledgeable about the failures and successes of crime rings, but is she telling everything she knows, or does she have her own agenda?

Enrico Tazza

Originally a member of the Machiano Crime Syndicate and a guard for stolen goods, Enrico escaped jail time because the police could never find the items he supposedly guarded. Now Enrico runs a private club called the *Casa dei Giochi* (House of Cards), but is it just a front for another crime ring? After all, he has the connections and the knowledge to steal the artifacts, so what's stopping him?

Antonio Fango

The prime suspect in the case, Mr. Fango installed modern conveniences for the houses where priceless artifacts were stolen. Tech savvy Antonio knows his way around security systems and may be communicating with the crime ring. Unfortunately, authorities have no evidence against him. Is he committing crimes so perfectly that no clues are left behind?

Our digital store will offer the Nancy Drew PC game series soundtracks soon! Additionally, you can also download games and strategy guides without waiting for shipping or leaving your house. This is also a great option if you need help immediately from the strategy guides or live outside of the US.
