

Nancy Drew® Studies the Case

The next exciting game in the Nancy Drew PC Adventure series, [Warnings at Waverly Academy](#), has finally arrived! You can find a boxed version at Target, Best Buy, Walmart, Gamestop and Amazon. The digital version is available for download **only** at www.HerInteractive.com. Get ready to enroll in adventure as Nancy Drew and go undercover at a prestigious girls' boarding school. It's up to you to uncover the culprit behind threatening notes and dangerous accidents aimed at its students. Ace the case before the culprit graduates to murder.

We have prepared quite a few case files for you to review before you arrive at Waverly Academy. Check out the list below.

"Watching Waverly" - You've got the inside scoop on the Waverly girls' Twitter feeds. You can read all the drama that happened to the students before Nancy arrived on the scene. Get to know the girls outside the game and read this thrilling Twitter soap opera.

To Catch a Cat - This series of short films focuses on interviews with Mel, Rachel, Leela, Izzy, and Corine. You can learn about the students' thoughts on the mysterious Black Cat and see if you can discover who's got a secret to hide!

Waverly Academy Website - www.WarningsAtWaverlyAcademy.com is the school's official website, and the perfect place to explore the campus grounds. Learn about the faculty, research the school's history, or even submit an application for your own personalized student ID!

Snack Shop Mini-game - Feed hungry students before time runs out to win fun downloads for your computer. Experience running the Ramsey Hall snack shop, first-hand and get some inside info on the Black Cat.

Warnings at Waverly Academy Demo (230 MB) - Complete the task list given to you by Mrs. Cartwright to familiarize yourself with the school. Think of it as a "study hall."

With all this information available, you should be able to crack this case in no time. Be sure to pick up your copy of *Nancy Drew: Warnings at Waverly Academy* today!
