Coded Gift Tags

How to use:

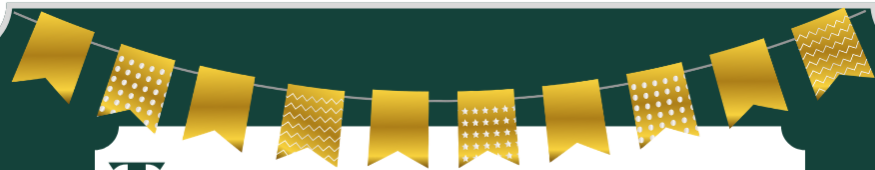

- 1) Screenshot the tags you want, or download the PDF from HerInteractive.com.
- 2) Print the tags.
- 3) Use the code key on the back to write the name of the person the gift is for in code.
- 4) Cut out the tag and fold along the center line.
- 5) Punch a hole in the dot and tie to the gift with a ribbon.

The codes are simple: each letter of the alphabet has a number or symbol that goes with it. Substitute the number/symbol next to the letter, for each of the letters in the name.
