

Someone's Taken Bess and You Must Pay the Ransom!

Your friend Bess Marvin is kidnapped and the only chance you have to save her is by solving a 300-year-old Bahamian mystery! Dangerous waters keep treasure hunters from exploring the reefs around Dread Isle, but this remote island might hide the riches of *El Toro's* lost fleet! Can you, as Nancy Drew, track down the treasure before time runs out?

Your friend Bess won an all-expenses paid trip to this remote island resort, but was it all a ruse to force you into a treasure hunt?

With the resort owners gone and Bess missing, the only other occupants on Dread Isle seem to be George Fayne and a stranded beach bum.

Dread Isle might be a vacation destination today, but is it also the final resting place for *El Toro* and his marooned crew?
