

Unravel the Web of Deceit Behind the Scenes of a Daytime TV Drama!

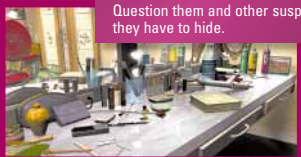

You, as Nancy Drew, have just joined the set of a daytime drama on the hunt for a would-be killer. Roam a fully interactive, three-dimensional TV studio, eavesdrop at doors, interrogate suspects, and sneak into secured rooms to expose who wants to kill the show's hottest star. Clues are everywhere you look, but so is treachery. Only cleverness and craft can outwit this culprit before the last scene is played out!

Stay alert for danger as well as clues! The closer you get to the truth, the less welcome your sleuthing will be.

Heart-throb Rick Arlen is on somebody's hit list—could it be his co-star Mattie Jensen? Question them and other suspects for what they have to hide.

Comb through studio rooms and personal effects to glean hints on the suspect's motives, methods, and identity.
