

Escape Icy Peril in Pursuit of a Treasure at the Mysterious Wickford Castle

While snowed-in at the Wickford Castle Ski Resort you, as Nancy Drew, are trapped in a place that's as strange as its history. The castle is a riddle, full of dead-ends and detours that hint at royal legend. Pick up the thread of a long-forgotten secret in this intriguing 3D interactive mystery. Solve baffling puzzles, search concealed rooms, interview evasive suspects, and sidestep snowy danger on the hunt for a secret that someone else is desperate to discover first.

Scrutinize rooms, decipher codes, and poke into furnishings on the hunt for vital clues. The trail may be old, but it's not yet cold.

Don't let suspects snow you with misleading clues. You'll need keen reasoning and intuition to detect who speaks the truth.

In this crazy castle of no blueprints, nothing is as it seems. Creepy corridors that lead to nowhere could hold secrets of their own.
