

Unmask a Dangerous Thief in Venice!

The stakes have never been higher as Nancy Drew joins an international undercover investigation to track down a phantom thief in Venice. The Italian police have few leads and you might be the only one who can stop the thefts of historic artifacts. Can you spy on suspects and collect clues before the crime syndicate catches up to you?

Masks and disguises are part of the fun of *Carnevale*, but the Phantom uses the celebration as a cover. Dress the part and don't get caught!

Italy's GdIF needs evidence to arrest a key suspect. Your assignment is to go on a stakeout, but keep your secret from the snoopy suspects!

Catching a thief means thinking like one, but how far will you go to stay undercover? Could you join a crime ring to nab the criminal?
